AHMED MOHAMED MOUNIR

NETWORK & IT INFRASTRUCTURE SUPPORT ENGINEER

Giza, Egypt | 010-11655015 | Ahmedalshamy247@gmail.com

PROFESSIONAL SUMMARY

IT and network infrastructure support professional with hands-on experience supporting multi-branch environments, including networks, servers, CCTV/IP surveillance, biometric attendance systems, printers, and end-user systems. Experienced in TCP/IP, VLANs, routing and switching, DHCP/DNS, NAT, ACLs, VPN connectivity, Windows Server, Active Directory, virtualization, and network troubleshooting. Proven record of improving CCTV operational readiness and attendance reporting reliability across five branches. Currently studying Huawei Cloud online and pursuing a Diploma in Information Technology at Ain Shams University.

CORE TECHNICAL SKILLS

Networking: LAN/WAN, TCP/IP, IPv4, subnetting, VLANs, trunks, Inter-VLAN routing, STP, EtherChannel, Wi-Fi, structured cabling, fiber optics, static routing, OSPF/EIGRP/BGP fundamentals

Network Services & Security: DHCP, DNS, DHCP Relay, NAT/PAT, ACLs, DHCP Snooping, Port Security, SSH, firewalls, VPNs, access control, connectivity troubleshooting

Windows & Virtualization: Windows Server 2025, Active Directory, Group Policy, DNS/DHCP, file/print services, NTFS permissions, Hyper-V, VMware, backup and security fundamentals

IT Support & Monitoring: PC hardware, Windows installation/troubleshooting, peripherals, user support, Wireshark, GNS3, SolarWinds, cloud fundamentals

CCTV & Biometric Systems: CCTV/NVR/DVR management, IP cameras, ZKTeco biometric systems, attendance data extraction, employee data management and reporting

Communications & Meetings: VoIP/IP telephony, IP phone configuration, conference-room setup, video conferencing and meeting support

PROFESSIONAL EXPERIENCE

IT & Network Infrastructure Support | MEGA SCAN | Feb 2025 - Present | 5 branches

- Manage and support IT infrastructure across five branches, covering networks, servers, printers, CCTV surveillance, biometric attendance systems, and employee data.
- Upgraded, configured, and maintained CCTV systems, IP cameras, DVR/NVR environments, and surveillance connectivity, improving operational readiness from approximately 20% to 100%.
- Configure and support DrayTek VPN devices for secure branch-to-branch connectivity.
- Manage ZKTeco fingerprint/biometric systems, employee records, device synchronization, and daily/monthly attendance reporting.
- Improved attendance data extraction and reporting reliability from approximately 70% to 100% across all branches.
- Diagnose and resolve connectivity issues affecting CCTV, biometric devices, workstations, servers, and network infrastructure.
- Work with MILLENSYS Advanced Solutions, including HIS, PACS, RPS, and ERP systems.

Freelance IT Infrastructure Support Specialist | MSB Design | On-site visits | Egypt & Saudi Arabia

- Support IT infrastructure across branches in Egypt and Saudi Arabia, including networks, servers, printers, CCTV, biometric attendance systems, and employee data.
- Configure and troubleshoot CCTV, IP cameras, DVR/NVR systems, and surveillance connectivity.
- Provide on-site technical support, maintenance, troubleshooting, and user assistance.

NETWORKING PROJECT

Enterprise Network Support Lab | Practical Training

- Implemented departmental VLAN segmentation and basic Inter-VLAN routing using multilayer switching.
- Applied ACLs, centralized DHCP using IP Helper, NAT, Port Security, and SSH for secure remote management.
- Configured EtherChannel and HSRP and performed end-to-end connectivity testing and troubleshooting.

TECHNICAL TRAINING

CCNA • CompTIA Network+ • CompTIA A+ • Microsoft Windows Server 2025 - Server Administration & Infrastructure Fundamentals • HCSA - CCTV Systems

EDUCATION

Diploma in Information Technology | **Ain Shams University** | First-Year Student

Bachelor of Law | **Faculty of Law, Cairo University** | 2012

EARLIER CAREER EXPERIENCE

Previous roles built strong customer-facing, leadership, commercial, and operational capabilities that complement technical support work.

Sales Team Leader / Sales Manager | Royal House Developments

Started as Team Leader and promoted to Sales Manager; led and coached the sales team, managed client relationships and escalations, prepared performance reports, and supported target achievement.

Senior Sales Specialist | Wadi Degla Developments

Promoted real-estate products and services, conducted market research, and developed customer relationships.

Medical Representative | Penta Pharma

Presented medical products to hospitals and pharmacies, delivered product seminars, and handled customer inquiries.

Sales Executive | Unicharm Factory

Managed key accounts, coordinated production schedules, and followed up on customer orders.

Import & Logistics Coordinator | Self-Employed

Managed imports from China, supplier coordination, shipping documents, delivery tracking, customs-clearance coordination, and cost follow-up.

Banking Sales Representative | Mashreq Bank, Al Ahli Bank, ABC Bank & Barclays Bank

Promoted personal loans and credit cards, managed customer relationships, and worked toward assigned targets.

Customer Service Representative | RAYA Company & Vodafone Egypt

Provided customer support and resolved service-related issues.

PROFESSIONAL & OPERATIONAL SKILLS

Technical documentation & reporting • Customer service • Client relationship management • Cross-functional coordination • Team leadership & training
